Corporation is now Formed.

The corporation of the Yeomen lodge for the purpose of carrying on the business was formally formed at the meeting Friday evening and the articles of incorporation were adopted. It is now started on a sound business basis and the subscription lists are in the hands of a committee for the sale of stock.

The corporation has secured the lots known as the Hershey property across the street from the post office building and they are contemplating putting up one of the finest buildings in the city on the quarter block. The plans for this building are already drawn and as soon as enough stocks are sold the arrangements will be made.

These stocks are for the entire public to invest in. They sell at the par value of one hundred dollars each and can be secured by paying twenty-five dollars down on January 1st and five dollars per month until paid for. They draw six per cent interest and are firmly secured by the assets of the corporation. They are conceded a good investment and the public is invited to invest.

In Concentration There is Strength.

BY CONCENTRATING the sun's rays through a glass the heat derived if focused, is sufficient to set afire a piece of dry wood. These same rays scattered over a large area furnish only heat enough to supply warmth to the earth, but concentrated and focused on one point a powerful burning heat is derived.

Concentration and Co-Operation go hand in hand.

First comes Co-Operation a unity of purpose. Then comes concentration of this Co-Operation to one point, on one work. In concentration, Co-operation then, there is strength, whether it be morally, physically or financially.

This big Family Piano Sale is concentrated, Co-Operative work and by its force you, individually, are enabled to obtain ridiculously low prices and worth while benefits in the purchasing of your piano or player.
